HIMANI BANSAL

Full Stack Developer | Ontario Certified Teacher | Master's in Mathematics

📞 +14378681497   @ himanibansal1691998@gmail.com   🔗 /himani-bansal-8bb2532a4/   📍 Mississauga, ON

SUMMARY

Detail-oriented professional with Master's in Mathematics and 2+ years of experience in education. Achieved a 90% score in the Web Development program at Humber College and earned placement on the President's Honour List at Seneca Polytechnic. Seeking a Full Stack Developer role to apply web development expertise and problem-solving skills to innovative projects, driving exceptional digital solutions.

WORK EXPERIENCE

Mathematics Instructor

Mathnasium - Math Learning Centre

📅 07/2024 - Present   📍 Toronto, Canada

- Conduct one-on-one math instruction classes using Mathnasium's proven methods to enhance student understanding and performance.
- Assist with administrative tasks, including maintaining records and scheduling sessions.
- Develop customized lesson plans to address students' strengths and areas for improvement.
- Monitor student progress and provide detailed feedback to students and parents.

Trained Graduate Teacher - Mathematics

Partap Public School

📅 03/2022 - 08/2023   📍 Ludhiana, India

- Delivered effective lessons that cater to diverse learning styles, ensuring students grasp concepts.
- Received accolades for initiating extracurricular programs that enhanced skills and fostered a passion for the subject.
- Maintained open lines of communication with parents regarding student progress, challenges, and strategies.

Business Manager

Gourav Process House

📅 06/2021 - 03/2022   📍 Ludhiana, India

- Increased operational efficiency by providing daily performance insights and strategic management.
- Managed budgets, billing, collections, and the financial performance of the firm business.

PROJECTS

Glam Guide

🔗 https://himani1609.github.io/JS-Pet-Project/

It is an interactive web application designed to help users discover and compare beauty products from popular brands such as MAC, L'Oréal, and Maybelline.
Tools & Technologies Used:
Front-End: HTML, CSS, JavaScript
Design Tool: Figma

2048 Game

🔗 https://himani1609.github.io/2048-Game/

It is a classic and addictive single-player sliding tile puzzle game built as a web application. The objective of the game is to combine tiles with the same numbers to achieve the coveted "2048" tile.
Tools & Technologies Used:
Front-End: HTML, CSS, JavaScript
